FEATURES

- Built to last with durable steel construction and a baked enamel finish
- High performance LEDs
- Accommodates a fixture-mounted sensor for added energy savings and convenience

APPLICATIONS

- Cold Storage Facilities
- Commercial
- Gyms
- Industrial
- Parking Areas
- Retail
- Warehouses

CERTIFICATIONS

- DLC Premium

ELECTRICAL

Part Number: HB2W1850UPC

Warranty: 5 years

Kelvin Temperature (CCT): 5000K

Wattage: 134

Lumens: 17,420

Efficacy: 130

CRI: 83

Dimmable: 0-10V

Input Voltage: 120/277V

Certifications: DLC Premium

DLC Listed: DLCP

Expected Life: 50000

Max. Ambient Temperature 40°C

Min. Ambient Temperature 0°C

Power Factor: 0.99

THD: YES

SPECIFICATIONS

Weight: 12.6 lbs

Length: 23.75

Product Height: 3.75

Product Width: 17.25

Beam Angle: 110

Lens: Plastic
